NOTES

Welcome to week 7 of your CSA

We're trying a new newsletter format, so please, tell us what you think. We're also sending it with our "Best Guess," but we figure, *"What the heck, you'll use 'em eventually."*

This week, our fruit supplement will include more peaches from Quarry Hill Orchard. We hope you don't mind that we've been stocking you up, but peach season is precious and only lasts but a few weeks.

Want to put some up for later? Here are a few tips from the kitchn for freezing those little bites of sugar.
