## NOTES

**Welcome to week 8 of your CSA**

We're trying a new newsletter format, so please, tell us what you think. Email us at [farm@waywardseed.com](mailto:farm@waywardseed.com).

This week, our fruit supplement will include certified organic rhubarb from Wayward Seed and a cantaloupe.

Rhubarb? Really? Yep! It's new this year, and for those of you following our social media pages, you saw our brand new plants earlier this year.

Try a Rhubarb Compote or Rhubarb with Melon Salad.
